Opening Day – Put Together Day – April 9

Randol Webb

Well folks. It's almost that put together time again. The date this year is Saturday, April 9th, 2011 with a Board of Directors meeting to follow at 5pm.

Mandatory Safety meeting Sunday, April 10th.

PLEASE PLAN TO ATTEND AND HELP

A rumor about one of the famous feasts is in the wind.

The put together teams from last year, with minor adjustments, will remain the same for this year. The list is below (or attached)(or coming later).

Some members will probably be at Freehold on Friday or before. If you plan to reposition campers to creekside, please consider the condition of the field and delay movement if the field is still wet and soft.

Also, we have to start thinking, planning and having rehearsals for the upcoming April 30th Open House. Much of that work is already done or in progress, but there is still a lot to consider. Many have volunteered for this project and a lot of good ideas floated. Weather permitting, we should have fun and see new people.

Let's make this year the year of the membership drive, one that's good for us old members, too. Learning, Flying, Camping (and of course, EATING) should insure that "a good time is had by all".

STAY TUNED, PLAN TO COME AND ENJOY. ♦

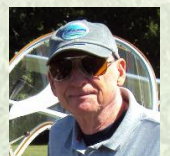

INSIDE THIS ISSUE

- 1 Opening Day
- 1 Chutes
- 2 Open House April 30th

Chutes

Peter Meny

Tim Forster, who rigged parachutes for us last year, has offered to do them again. He will pick up chutes at Freehold on Opening Day and return them two weeks later. The Nutmeg price is \$60. ♦

March Operations Bulletin

We have several members and some non-members to thank!

Our poster and notice of the event is being advertised in print and online at: National Public Radio, the Albany newspaper, some local papers and magazines due to Bob Pett, Bob Ward and Bob Titus
Our poster and notice is also on the events calendars of Aircraft Owners and Pilots Association, Experimental Aircraft Association, Soaring Society of America, Ladies Love Tail Draggers, NE Pilots Meetup Group and others, including emails to many NE airports, fixed base operators, flight schools and individuals.

Thanks to Melissa and Debbie for flying to CT, NY and MA airports to distribute flyers and to Paul and Bob W for driving to surrounding airports to put up posters.

Nutmeg has a Facebook page thanks to Dawns suggestion and Dave R's computer work.
Notify your Facebook Friends!

Thanks to John Boyce and John Benson we will have an abundance of chocks.

Donuts are being secured by Dennis and Anna Maria with Betty, Winnie, Carol, Karen and Jean doing registration and greeting while Mac and M. Molnar get the coffee going.

Bob P is doing the water and soda buying and icing with the help of others selling it.

PA system is being arranged by Esteban with Melissa, Mac, Joel (from NEPEG), Bob W as president doing some of the announcing, singing, etc. We can use more.

The raffle for glider rides is arranged by Dale while certificates for winners is designed and produced by Dawn.

Sean and Sue are getting together the CAP to help us with parking cars and airplanes.

The name tags for US (members) are being done by Winnie and Carol.

On the flight line side of things we are still shy of committed help.

Only Kendall is signed up for towing. John B and Jeff for instructing, Linda and Rudi for flying, Matt, Dennis, Carol, Amy, Bob D for cart drivers to park airplanes and pull gliders and transport guests as needed. Several of our members are signed up to cover more than one task and will need help from the rest of us. Some members, Doug, Rudi and John B have committed to being there and doing anything required.

We owe them all a great deal of appreciation and THANKS.

With all the advertising and preparation there is a good chance that many driving and flying guests could show up.

No one can predict how many, but we have to be ready for a full house.
There is still much to do before our open house. ♦
